

Combine chore maps from all zones into a single, printable or digital master list for the whole homestead.

1. Pull in tasks from each area worksheet.
2. Mark which part of the homestead or animal this belongs to.
3. Abbreviate frequency: D (daily), W (weekly), S (seasonal).
4. Name the family member or blank if not assigned.
5. Date to track when you last reviewed/changed the task.
