

Weekly Huddle Recap

Review what got done each week and capture unresolved tasks or lessons for next time.

How to use: Complete at the end of each week or during your next weekly huddle. Use this for quick review and to adjust future plans.

What goes in each column

- 1. Which jobs were on last week’s list?
- 2. Did you finish them? Mark Y or N.
- 3. Anything that needs to be moved to next week’s agenda?
- 4. Did a method, owner, or timing need to change? Write any important notes here.

If ‘Clean duck pond’ was not completed due to weather, mark N in Done, check Carry Over, and note ‘Heavy rain—rescheduled for next dry day’ in Notes.
