

Chore Completion Pattern Template

Purpose: track completions, spot skipped tasks, and notice where routines are causing burnout.

Weekly Completion Grid

TASK	MON	TUE	WED	THU	FRI	SAT	SUN	MISSED COUNT	PATTERN NOTICED

Use a checkmark, initials, or a short note in each day column.

Pattern Review

- Which task was skipped most often?
- Was the missed task assigned to the wrong time of day?
- Did the task need supplies, weather, or another person?
- Can it be batched with another chore?
- Can the task be simplified, delegated, or removed?

Burnout Warning Signs

WARNING SIGN	EVIDENCE	FIX TO TRY
Task skipped 3+ times		Change owner or timing
Task always delayed		Move to another routine block
Task needs too many steps		Break into smaller checklist
Task depends on missing supplies		Add to supply tracker
