

Daily Walkthrough Inventory

Purpose: capture every repeated homestead task before building your planner.

How to use

1. Walk through the property at the same time you normally do chores.
2. Write each repeated task as you see it.
3. Mark timing, area, owner, backup, and supplies.
4. Transfer confirmed tasks into your daily checklist or weekly planner.

Inventory Table

AREA	TASK	TIMING	FREQUENCY	OWNER	BACKUP	SUPPLIES NEEDED	NOTES
Coop	Feed chickens	Morning	Daily			Feed scoop	
Coop	Check water	Morning/evening	Daily			Waterer	
Garden	Check irrigation	Morning	Daily/seasonal				
Barn	Sweep/check bedding	Evening	Daily/weekly				
Property	Fence/gate check	Evening	Daily/weekly				

Sorting Prompts

- Which tasks happen every morning?
- Which tasks happen every evening?
- Which tasks are weekly or seasonal?
- Which tasks are easy to forget?
- Which tasks need a backup person?
- Which tasks require supplies that run out?
