

Homestead Command Center Overview

Purpose: combine routines, records, finances, and weekly planning into one visible system.

Core Sections

- 1. Daily Chores
- 2. Livestock Records
- 3. Garden Records
- 4. Financial And Supply Tracker
- 5. Weekly Check-In
- 6. Emergency Contacts

Paper Setup

Use a binder, clipboard, wall folder, or notebook. Keep the most-used pages in front:

- Daily checklist
- Weekly check-in
- Supply tracker
- Emergency contact sheet

Digital Setup

Use a folder, spreadsheet, notes app, or optional farm app. Keep the same section names so paper and digital versions match.
